For details of other possible benefits, please refer to the FSG and/or Advice Documents. All fees and commissions outlined below are inclusive of GST. In very limited circumstances the fees could be greater in the most complex cases. In these instances, we will promptly inform you of the exact fee payable.

Pre-existing arrangements	For existing clients already in an established commission arrangement, we may receive commission on investment products or margin lending products held. The frequency of the review will also impact on the fee charged.
Other Benefits, interest or associations	From time to time we may enter referral arrangements with other professionals where we may pay a fee for the referral.
